

“I-NET”

INTERNATIONALIZATION NETWORK

ABOUT THE PROJECT

The project is aimed at development of internationalization framework between EaP and EU countries through establishing a web platform for new joint projects, exchanges, trainings, research, etc.

Project duration 26/10/2015-26/12/2016

Project budget € 87.285

Project objectives

1. Development and introduction of internationalization network covering regional and interregional levels. In order to reach this objective Standard questionnaire samples are to be completed by each partner and posted on the project web site.
2. Raising the level of institutional capacity building through trained top management. Training packages will be developed by EU partners and delivered to non EU partners' top management (ToT) during a special training course.

Project targets

- ❖ Top management of participating institutions
- ❖ Students
- ❖ Researchers
- ❖ Academic and administrative staff

Project activities

- Web-site creation and update
- Kick-off meeting in Minsk
- Promotion events at each partner institution
- EaP country organizations' top management training (ToT) on Internationalization
- Internationalization staff trainings at each EaP country institution
- Final conference in Yerevan

Project outcomes

- ✓ Operating network of partner institutions at national, regional and international levels
- ✓ Systematized and standardized data posted on the project website
- ✓ Trained top management of EaP country institutions
- ✓ Trained staff of internationalization network at EaP country institutions
- ✓ Increased regional and international reputation of network members
- ✓ Increased mobility within network members

INTERNATIONALIZATION INITIATIVES BEYOND THE PROJECT

Co-funded by the
Tempus Programme
of the European Union

PICASA

Another Internationalization oriented project having a large consortium of EU and non EU partners is Tempus co-funded "PICASA" (Promoting Internationalization of HEIs in Eastern Neighborhood Countries through Cultural and Structural Adaptations) project the main goal of which is to improve Internationalization of participating partner HEIs at institutional and program levels.

Recently YSU hosted two major project events, i.e. workshop on Internationalization of academic programs and conference on Internationalization of HEIs. During the two events participants shared presentations on different Internationalization topics, including best practices within their past and present experience.

More information on project content and events is available at <http://picasa.yasu.am/>.
